

PERSONAL WEAPON SMART CARD

Virginia State laws regarding transportation of firearms are strictly enforced. Fort Pickett has no arms room facilities available for storage or sign out for privately owned weapons. Commanders are requested to discourage their personnel from bringing personally owned firearms to extended training periods such as annual training.

The Fort Pickett Garrison Commander has determined the conditions under which personal weapons may be brought onto the post. The Garrison Commander or appointed designee shall make the determination of the validity of issuing a permit to owners when required.

Personal weapons may be brought onto the post provided the following guidelines are followed:

The owner is **legally** qualified to own and carry a firearm in the Commonwealth of Virginia or reciprocal state. The owner must possess and present a valid Commonwealth of Virginia Concealed Carry Permit, or one from a state with a current reciprocity agreement with Virginia. Personnel **not** in the possession of a Concealed Carry Permit may be registered to store a firearm in the confines of their vehicle by completing a background check through the Fort Pickett Dispatch Office in BLDG 1484. This process can take up to 14 business days. Once registered, the document **must** remain with the vehicle where the weapon is stored. Appendix E of FPR 190-13 is the registration form.

Weapons must be kept in a locked vehicle, cased, and/or out of view. A weapon may **not** be locked in a gun rack in clear view of the public. The weapon remains in the vehicle, in the locked container, during its stay on post. A personal weapon may **never** be brought inside a federal building.

Only weapons used for hunting or personal protection are permitted. Under no circumstances will automatic weapons, or weapons of mass destruction, including but not limited to: fireworks, explosives, or other incendiary devices be brought on post. Definition of weapons as pertains to this regulation is identified in AR 190-11 and supplements.

The possession of personally owned weapon(s) on Fort Pickett is a privilege, **not** a right. This privilege may be revoked for a determined period of time or indefinitely if policies are violated. Nothing in this document shall authorize the possession of a weapon in violation of the laws of the Commonwealth and/or Federal Government.
